Executive summary

At the Council meeting of the 24th July 2013, following a detailed tender process Council resolved to accept a list of contractors that met the requirements of the tender for either wet or dry plant hire over a three year contract.

This report is recommending one additional contractor and one additional piece of plant from a contractor already accepted, be included on the preferred suppliers list after having received the required information from the contractor.

Detailed report

Council has received a request by Glenora Constructions Pty Ltd to be included on Council's preferred suppliers list and a request from Miskle Transport and Earthmoving Pty Ltd to include an additional item of plant onto the preferred suppliers list. The contractors have completed the relevant documentation and been assessed in accordance with the tender evaluation process. The process was provided to Council at the time of accepting the original tender and can be provided to Councillors again on request. It involved the following steps;

3. The tender assessment panel undertook an objective analysis of tenderers' ability to meet both mandatory and desirable criteria.
4. The tendered information and specific questions were listed under the evaluation criteria and weighted in order of importance to the overall evaluation. Team members scored the tenders against the criteria in accordance with the Evaluation Plan.

As a result of this process, the additional suppliers will be incorporated into the preferred suppliers list.

Financial and Operational Plan implications

The costs of the projects carried out using wet and dry plant hire are recognised in the Operational Plan under the maintenance and construction of Councils assets.

Community Plan implications

The recommended suppliers are required to meet the Council's maintenance and capital works program.
