

6.1.2 Mossy Rock Lane added to Council's Maintained Roads register

LISTED BY CR PETER SHELLEY TO 7 MAY 2014 COUNCIL MEETING

Mossy Rock Lane added to Council's Maintained Roads register

GOV400022, GOV400038

MOTION

That Mossy Rock Lane, Rylstone, be added to Council's Maintained Roads register.

BACKGROUND

Mossy Rock Lane runs off Louee Rd for approximately 1km, next to the Rylstone Olive Press.

As there are at least 5 homes along this lane, this should now, under Council guidelines, be added to the Maintained Roads network. This is not a bus route so the standard grading of once every 2 years should be undertaken.
