Any minor modification to the approved plans will require the lodgement and consideration by Council of amended plans. Major modifications will require the lodgement of a new development application.

GENERAL

2. For clarity, this development consent provides approval for two (2) manufactured homes for use as farm stay accommodation with external decks.
3. Notwithstanding the approved plans, the structure is to be located clear of any easements.
4. All building work must be carried out in accordance with the Building Code of Australia.

Note: Prescribed condition pursuant to section 4.17(11) of the Environmental Planning and Assessment Act 1979.

5. All earthworks, filling, building, driveways or other works, are to be designed and constructed to ensure that at no time any ponding of stormwater occurs on the subject site or adjoining land as a result of this development. Design must also ensure that no diversion of runoff onto other adjacent properties occurs.
6. All stormwater runoff from roof and developed surfaces is to be controlled in such a manner so as not to flow or discharge over adjacent properties. Methods of disposal of excess stormwater including overflow from tank must also include adequate provision for prevention of erosion and scouring.
7. The internal access driveway must be constructed and maintained at all times to provide access in all weather

 Mayor

 General Manager

conditions. The driveway must also be of a sufficient standard to allow for access by emergency service vehicles.

8. Costs associated with all development works including any necessary alteration, relocation of services, public utility mains or installations must be met by the developer. The developer is responsible to accurately locate all existing services before any development works commence to satisfy this condition.
9. Any damage which is caused to Council's infrastructure as a result of the proposed development must be repaired immediately to Council's satisfaction and at no cost to Council.
10. The applicant must ensure that an adequate potable water supply is available for use by occupants and for firefighting purposes to service the development.
11. Minimum tank storage capacity of 100,000 litres is required on the site, of which a minimum of 40,000 litres is to be retained for firefighting purposes.
12. A minimum of three (3) car parking spaces are to be provided within the site of the development and comply with AS 2890.1: 2004 and the following requirements:
 - a. Each parking space is to have minimum dimensions of 5.5m x 2.4m; and
 - b. All car parking and manoeuvring areas are to be provided with an all-weather surface suitable for 2WD vehicles (e.g. compacted gravel or road base material).

PRIOR TO THE APPROVAL OF A SECTION 68 (PART A) APPLICATION TO INSTALL A MOVEABLE DWELLING

13. Details are to be submitted to Mid-Western Regional Council confirming that each relocatable building is designed, constructed and will be installed in accordance with the requirements of Division 4 of the Local Government (Manufactured Home Estates, Caravan Parks, Camping Grounds and Moveable Dwellings) Regulation 2005. A current engineer's certificate is required to be site specific and acknowledge each structure is to be relocated to the new site.
14. Prior to release of the Section 68 approval for the placement of the building/s, an approval pursuant to Section 68 of the Local Government Act, 1993 for the installation of an On Site Sewer Management System is to be obtained from Mid-Western Regional Council.
15. In accordance with the provisions of Section 7.12 of the Environmental Planning and Assessment Act 1979 and the Mid-Western Regional Contributions Plan 2019, a levy based on the

Mayor

General Manager

value of works shall be paid to Council in accordance with this condition for the purpose of local infrastructure, prior to issue of any Section 68 approval for the placement of the transportable building.

A cost estimate report is to be provided to Council, confirming the cost of the development prior to issue of the Section 68 approval. Following submission of the cost estimate report, Council will provide the required amount, payable prior to issue of the Section 68 approval.

Note: The contribution amount will be adjusted by the Consumer Price Index, if not paid in the same financial year the development consent was issued.

Note: Mid-Western Regional Contributions Plan 2019 is available for perusal at Council's Administration Centre at 86 Market Street, Mudgee or on Council's website www.midwestern.nsw.gov.au under Council Documents/Strategies and Plans.

PRIOR TO THE COMMENCEMENT OF WORKS

16. No work shall commence on the deck component of the development until a Construction Certificate has been issued and the applicant has notified Council of:
- the appointment of a Principal Certifying Authority; and
 - the date on which work will commence.

Such notice shall include details of the Principal Certifying Authority and must be submitted to Council at least two (2) days before work commences.

17. Prior to the commencement of any works, approval pursuant to Section 68 (Part A) of the Local Government Act 1993 to install a moveable dwelling and associated structure on land shall be obtained from Mid-Western Regional Council.

18. The site shall be provided with a waste enclosure (minimum 1800mm X 1800mm X 1200mm) that has a lid or secure covering for the duration of the construction works to ensure that all wastes are contained on the site. The receptacle is to be emptied periodically to reduce the potential for rubbish to leave the site. Council encourages the separation and recycling of suitable materials.

NOTE: ALL WASTE GENERATED FROM THE CONSTRUCTION PROCESS IS TO BE CONTAINED ON-SITE.

19. A sign must be erected in a prominent position on any work site on which involved in the erection or demolition of a building is carried out:

- a. stating that unauthorised entry to the work site is prohibited;
 - b. showing the name of the person in charge of the work site and a telephone number at which that person may be contacted outside working hours;
 - c. the name, address and telephone number of the principal certifying authority for the work; and
 - d. The sign shall be removed when the erection or demolition of the building has been completed.
20. Prior to works commencing on residential building work within the meaning of the Home Building Act 1989, the Principal Certifier of the development to which the work relates has given the Council written notice of the following information:
- a. in the case of work for which a principal contractor is required to be appointed:
 - i. the name and licence number of the principal contractor; and
 - ii. the name of the insurer by which the work is insured under Part 6 of the Home Building Act 1989, unless an exemption is in force in accordance with Clauses 187 and 188 of the Environmental Planning and Assessment Regulation 2000
 - b. in the case of work to be done by an owner-builder:
 - i. the name of the owner-builder; and
 - ii. if the owner-builder is required to hold an owner-builder permit under that Act, the number of the owner-builder permit.

If arrangements for doing the residential building work are changed while the work is in progress so that the information required by (a) or (b) becomes out of date, further work must not be carried out unless the Principal Certifier for the development to which the work relates has given Council written notice of the updated information.

This condition does not apply in relation to Crown building work that is certified, in accordance with Section 6.28 of the Act, to comply with the technical provisions of the Building Code of Australia.

21. The development site is to be managed for the entirety of work in the following manner:
- a. Erosion and sediment controls are to be implemented to prevent sediment from leaving the site. The controls are to be maintained until the development is complete

Mayor

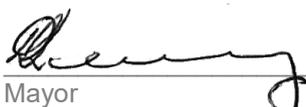

General Manager

- and the site stabilised with permanent vegetation.
- b. Appropriate dust control measures.
 - c. Construction equipment and materials shall be contained wholly within the site unless approval to use the road reserve has been obtained; and
 - d. Toilet facilities are to be provided on the work site at the rate of one toilet for every 20 persons or part of 20 persons employed at the site.

DURING WORKS

22. All building / installation work must be carried out in accordance with the provisions of the National Construction Code, the Environmental Planning & Assessment Act 1979 and Regulations and all relevant Australian Standards.
23. All plumbing and drainage work must be carried out by a licensed plumber and drainer and must comply with the Plumbing & Drainage Act 2011 and Plumbing Code of Australia.
24. Construction work noise that is audible at other premises is to be restricted to the following times:
 - Monday to Saturday – 7.00am to 5.00pmNo construction work noise is permitted on Sundays or Public Holidays.
25. All mandatory inspections required by the Environmental Planning & Assessment Act 1979 and any other inspections deemed necessary by the Principal Certifying Authority being carried out during the relevant stage of construction for the deck.
26. The strength of the concrete used for the reinforced concrete floor slab must be a minimum 25Mpa.
27. In the event of any Aboriginal archaeological material being discovered during earthmoving/construction works, all work in that area shall cease immediately and the Office of Environment and Heritage (OEH) notified of the discovery as soon as practicable. Work shall only recommence upon the authorisation of the OEH.
28. The requirements of BASIX Certificate number(s) 1315549S issued on 23 June 2022 must be installed and/or completed in accordance with the commitments contained in that certificate. Any alteration to those commitments will require the submission of an amended BASIX Certificate to the Council and/or the Principal Certifying Authority prior to the

Mayor

General Manager

commencement of the alteration/s.

29. All roof stormwater is to discharge to a water storage tank/s and overflow from the tank/s disposed a minimum 3 metres from the building, clear of any effluent disposal areas and in such a manner as to not create any erosion or scouring and not adversely affect adjoining properties.
30. This approval does not provide any indemnity to the owner or applicant under the Disability Discrimination Act 1992 with respect to the provision of access and facilities for people with disabilities.
31. The relocatable building shall be installed in accordance with the approved structural engineer's specifications.

PRIOR TO OCCUPATION OF THE BUILDING

32. Prior to the occupation of the building, a Certificate of Completion is to be obtained from the Mid-Western Regional Council for the installation of the building.
33. Prior to occupation or use of the deck, an Occupation Certificate is to be obtained from Mid-Western Regional Council.
34. Prior to use of the development and/or issue of an Occupation Certificate, a satisfactory final inspection report from the Council must be received by the Certifier, verifying that all works have been completed in accordance with the relevant Section 68 (Local Government Act 1993) approval/s.
35. Prior to use of the development and/or issue of an Occupation Certificate, the excavated and/or filled areas of the site are to be stabilised and drained, to prevent scouring onto adjacent private or public property. The finished ground around the perimeter of the building is to be graded to prevent ponding of water, and to ensure the free flow of water away from the building and adjoining properties.

ONGOING USE

The following conditions have been applied to ensure that the use of the land and/or building is carried out in a manner that is consistent with the aims and objectives of the environmental planning instrument affecting the land.

36. All parking associated with the use is to be contained wholly within the site.
37. The development is to be operated in such a manner that will not interfere with the residential amenity of the adjoining and nearby residents, due to emission of noise, lighting or other

Mayor

General Manager

nuisances.

38. The development is to be used for short stay visitor accommodation only.
39. The development is to be maintained in a clean and tidy manner, at all times.
40. Arrangements are to be made for the regular removal and disposal of all waste to a licenced waste facility.

ADVISORY NOTES

1. The removal of trees within any road reserve requires the separate approval of Council in accordance with the policy "Tree Removal and Pruning - Public Places".
2. The land upon which the subject building is to be constructed may be affected by restrictive covenants. This approval is issued without enquiry by Council as to whether any restrictive covenant affecting the land would be breached by the construction of the building, the subject of this approval. Persons to whom this approval is issued must rely on their own enquiries as to whether or not the building breaches any such covenant.
3. Division 8.2 of the Environmental Planning and Assessment Act 1979 (EP&A Act) gives you the ability to seek a review of the determination. This request is made to Council and must be made within 12 months after the date on which you receive this notice. The request must be made in writing and lodged with the required fee; please contact Council's Development Department for more information or advice.
4. If you are dissatisfied with this decision section 8.7 of the EP&A Act gives you the right to appeal to the Land and Environment Court within 12 months after the date on which you receive this notice, pursuant to section 8.10(1)(b).
5. To ascertain the extent to which the consent is liable to lapse, refer to Section 4.53 of the EP&A Act.

STATEMENT OF REASONS

The determination decision was reached for the following reasons:

1. The proposed development complies with the requirements of the applicable environmental planning instruments and Mid-Western Regional Development Control Plan 2013.
2. The proposed development is considered to be satisfactory in terms of the matters identified in Section 4.15 of the Environmental Planning & Assessment Act 1979.

Item 14: Confidential Session

357/22 MOTION: Stoddart / Dicker

That pursuant to the provisions of Section 10 of the Local Government Act, 1993, the meeting be closed to the public.

The motion was carried with the Councillors voting unanimously.

Following the motion to close the meeting being moved and seconded, the General Manager announced that the following matters would be considered in confidential session and the reason why it was being dealt with in this way.

14.1 General Manager's Contract of Employment

The reason for dealing with this report confidentially is that it relates to personnel matters concerning particular individuals (other than Councillors) in accordance with Section 10A(2)(a) of the Local Government Act, 1993.

Discussion of this matter in an open meeting would be, on balance, contrary to the public interest as it involves discussion of personnel matters concerning individuals (other than Councillors).

Following an enquiry from the Mayor, the General Manager advised that there were no written representations in respect of this matter and that no person in the gallery wished to make verbal representations.

The General Manager, Executive and staff left the Chambers at 6.23pm.
