### FROM THE GENERAL MANAGER

Happy New Year to everyone in our beautiful region. I hope you had a restful festive season.

2022 is set to be another big year at Council, beginning with the swearing in of the new Council on Wednesday, 12 January. At this meeting Councillors will elect a Mayor and Deputy Mayor among themselves. Look out for this announcement on Council's website, Facebook page and in the next edition of Community News.

The region's events calendar is already jam-packed in the first half of the year starting with Australia Day in Gulgong on 26

January. This will be closely followed by the Charity Shield on Saturday, 26 February, Central West Young Entrepreneurs Summit on Thursday, 17 March, and Manly v Raiders on Saturday, 2 April. Avoid disappointment and get your tickets early as these events will be hugely popular.

## PRIORITY COMMUNITY PROJECTS DELIVERED

Council recently completed \$1 million in local projects identified as priorities by the community. These projects included the 8km Mudgee to Putta Bucca shared path loop. A concrete footpath has been installed along the entirety of the loop in addition to a footbridge across the Cudgegong River at Putta Bucca Road.

The second project included the installation of sports field lighting at Victoria Park, Gulgong. Six new light towers have been erected allowing more sports clubs to train and make use of the facility in the evening.

The final project was the installation of town entrance signage in the region's four main towns. Thirteen sandstone welcome signs have been constructed at the key entrances into Mudgee, Gulgong, Rylstone and Kandos. This project was completed by a local business, generating income for locals and their families.

These projects were jointly funded with \$807,000 from the NSW Government's Stronger Country Communities Fund and \$320,000 provided by Council.

## MUDGEE ARTS PRECINCT NEW EXHIBITION COMING SOON

Mudgee Arts Precinct and its inaugural exhibition 'Stories from Homedale' were both officially opened in November.

NSW Minister for the Arts, Don Harwin, Member for Dubbo, Dugald Saunders and Federal Member for Calare, Andrew Gee were joined by artist Guido Maestri to formally open the building and exhibition which had been delayed due to NSW Health Orders.

Council secured \$5.3 million to deliver the project through grant funding from the NSW and Australian Governments.

Mudgee Arts Precinct's second exhibition is 'Linda Jackson: Retreat, Reflection, Regeneration'. The exhibition documents a year of photography after the 2019/2020 Black Summer Bushfires that burnt through Jackson's Clandulla property. Jackson is a well-known artist who is renowned for her collaboration with Jenny Kee that produced colourful designs and textiles, iconic in the 1970s and 80s.

This exhibition documents the harsh realities of the earth destroyed by fires as well as the isolation produced from the COVID-19 lockdowns. Over time, the bush regenerates and ultimately heals – reflecting Jackson's own personal journey during this challenging time. The exhibition opens 10 January.

Mudgee Arts Precinct is open seven days a week from 9am to 5pm, entry is free.

## MONITOR YOUR DAILY WATER USAGE WITH YOURWATER

Monitor your daily water usage with the launch of Council's new Smart Water Meter portal, YourWater. Along with daily data on the amount of water being used in the home, customers can review water charges and set up email and SMS alerts to notify of possible water leaks and high consumption periods. Before registering please ensure your property details are correct with Council, then visit [yourwater.midwestern.nsw.gov.au](http://yourwater.midwestern.nsw.gov.au). You'll be prompted to provide some personal

details and information found on your latest Water Notice. Smart Water Meters have been installed throughout the region after Council secured \$1.2 million through the Australian Government's Smart Cities and Suburbs Program. The Smart Water Meter Network will provide an estimated \$445,000 annual cost saving to ratepayers by detecting possible leaks. Millions of litres of water are lost from leaks throughout the region each year.

### WOLLAR ROAD CLOSURE

A section of Wollar Road will be closed for ten weeks from Monday, 10 January to realign two dangerous curves as part of the three-year road safety upgrade. A detour will be in place via Ulan Wollar Road. Wollar Road is expected to reopen on Monday, 21 March. For closure locations and updates visit [midwestern.nsw.gov.au/wollar-road-upgrade](http://midwestern.nsw.gov.au/wollar-road-upgrade)

### U3A ENROLMENT DAY

Mudgee District U3A will host an Enrolment and Showcase Day on Saturday, 15 January at Kildallon, 70 Court Street, Mudgee between 9.30am and 12 noon. Course options will be available. More information at [mudgeedistrictu3a.org.au](http://mudgeedistrictu3a.org.au)

### KEEP CUL-DE-SACS CLEAR

Help us ensure your bins are collected each week by parking off the street on collection day. Cars parked in cul-de-sacs make it almost impossible for trucks to collect your bin and turn around. Please remember to park your car in the driveway or somewhere off the street on collection day and place your bins on the kerbside, not on the road.

### LIBRARY SCHOOL HOLIDAYS

There are a range of fun activities happening at your local library these school holidays for kids (3-12 years). The Library's Wizard of Oz themed program is sure to delight and entertain with various art and crafts, and a movie afternoon. Make a tin man from recycled tins, create a flowerpot scarecrow, design a hot air balloon with buttons, and much more. Bookings at [mwrclibrary.eventbrite.com](http://mwrclibrary.eventbrite.com)

Alongside this month's edition of Community News you will receive a letter-folded A4 submission form. Please complete the form and let us know your priorities to inform Council on the actions it should set for the future. Please return the form to Council either in-person, by mail or email.

## Work.

Mid-Western Regional Council is an award winning organisation offering a range of career opportunities in areas such as admin, planning and development, water supply, parks and gardens, libraries, operations and community services. Council is an equal opportunity employer and values diversity in its people. For current positions vacant, go to 'Employment' on Council's website.

## Invest.

Council has secured \$750 funding through the NSW Government's 2022 NSW Seniors Festival Grants Program to host two seniors events in Mudgee next year as part of the week long Seniors Festival. The funding will be used to deliver a senior's lunch, and a morning tea concert. Keep an eye on Council's website for event details and ticket information. The 2022 NSW Seniors Festival will take place from 13 to 24 April.

## Visit.

Council was excited to welcome the NSW Blues Coach, Brad Fittler and members of the Blues Board and coaching staff to the region last month.
