Statement of Environmental Effects

Pro-forma for minor development

This statement must be completed by the applicant and/or their representative to comply with the requirement of Section 79C of the Environmental Planning and Assessment Act, 1979. The completed statement must accompany the Development Application and accompanying plans.

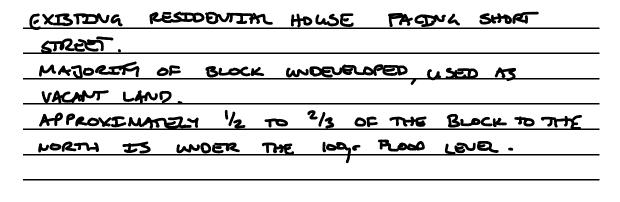

Each of the following categories must be completed for all forms of development, building works or activity requiring development consent. The level of detail required will depend upon the nature and scale of the proposed development. Should you be uncertain of any aspect, you should contact Council's Planning and Development Group for advice.
