

135-137 Mayne St-Modification of DA 359/2003

Proposed Change of Operating Hours

Proposal

The applicant seeks approval to vary its operating hours from 5am-12 midnight Sunday to Thursday and 5am-1am Friday and Saturday.

It should be noted that no new patrons will be permitted to enter the premises on Friday and Saturday nights after 12 midnight on Friday and Saturday nights and that the outdoor dining area will be vacated from 11pm nightly to protect the amenity for the one adjoining residential property on the corner of Mayne and Medley St.

Additional Information

The new proposed hours aim to meet the growing need for food and beverage services in Gulgong to cater for existing patrons as well as the ever-increasing number of shift workers associated with major infrastructure projects.

The later opening hours align with the hours of operation of a number other food and beverage in Gulgong including the Centennial Hotel, The Post Office Hotel, Prince of Wales Hotel and the Rusty Owl as well as the provision of the Nightrider bus service which operates until 1am Friday and Saturday nights.
