Re: Carport DA application, for 180 Broadhead Road Mudgee

My Client Mr. Mervyn Shipp Would like to have a 3.5 x 6 x 2.4 Carport constructed at his property.

If it is possible, he would like to have a 2 meter side setback instead of the required 2.5 meters, as this will allow the Carport to line up with the existing concrete driveway.

The Proposed Carport will have no impact on the neighboring property

If you require any further information, please don't hesitate to contact me.
