Proposed development

Proposed type of development	Demolition
Description of development	I would like to remove and replace three large over sized trees with smaller and less invasive trees, strategically planted. The property is within a heritage conservation area, how ever the trees are non native to the region. An arborist report has been completed stating the trees have been planted upto thirty years ago and have been introduced to the premises. Also stated in report that some trees have limited lifespan that could soon be met. Trees to not match local treescape. Future DA for extension.

Payer details

Provide the details of the person / entity that will make the fee payment for the assessment.

The *Environmental Planning and Assessment Regulation 2021* and Council's adopted fees and charges establish how to calculate the fee payable for your development application. For development that involves building or other works, the fee for your application is based on the estimated cost of the development.

If your application is for integrated development or requires concurrence from a state agency, additional fees will be required. Other charges may be payable based on the Council's adopted fees and charges. If your development needs to be advertised, the Council may charge additional advertising fees.

Once this application form is completed, it and the supporting documents will be submitted to the Council for lodgement, at which time the fees will be calculated. The Council will contact you to obtain payment. Note: When submitting documents via the NSW Planning Portal, credit card information should not be displayed on documents attached to your development application. The relevant consent authority will contact you to seek payment.

The application may be cancelled if the fees are not paid:
