Re: Variation to the DCP for shed size 160m²

The owners of 57 Rifle Range Road, Mudgee request a variation to the DCP be permissible for proposed new shed to be built for the safe and secure storage of their boat, machinery and belongings.

The proposed shed will be used for recreational purpose only, and to store tractor & equipment out of the weather.

Positioned in the rear of the property the shed will not be in direct site of neighbouring properties and will be aesthetically pleasing.
