

MID-WESTERN REGIONAL YOUTH COUNCIL NOMINATION FORM

Calling local young people who want to make a difference

Youth Council is looking for energetic self-motivated people between the ages of 13 and 21.

Get to know the region by being part of a team. Learn to communicate with others, represent your community and be part of planning events in our area. Youth Council has input into decisions about information and celebratory events within our community, the planning and accessibility of leisure and support facilities for youth and their families, as well as being very involved in Youth Week and school holiday programs.

To truly benefit from this experience, Youth Councillors should take advantage of joining working parties in their areas of interest and taking part in community events, such as school holiday programs.
