5. EXISTING BUSINESS

5.1. Youth Council Events

5.1.1. Summer school holiday activities; update

A general discussion of the activities run over the January school holiday period occurred. Feedback overall was that the programme of events was well received. Bookings and attendance at all events was good, with the exception of those occurring in the Kandos and Rylstone area. Ideas on how to change this was discussed – advertising is undertaken as much as possible, with Kandos High School regularly promoting the events held in that area. K Besant suggested promoting through appropriate youth organisations such as Scouts and volunteered to assist with this. The Youth Services team expressed that the schedule of events was very ambitious and planning/organisation for some of the events (especially excursions) was greater than expected; that moving forward the amount of time involved in preplanning during the school holiday period would need to be considered when planning the schedule of

activities, especially over January when the Council shutdown period affects the planning time prior/during the school holidays.

Activity	Date	Location	Available places	Bookings	Attendance
Keyrings and necklaces	6 Jan	Event Zone – Mudgee Library	10	10	7

It was noted that the winner and placegetters of the photography competition will be displayed at the Gulgong RSL, with the printed photographs being gifted to the winners after the display period.

5.1.2. Youth Week 2021 (16 to 24 April 2021) – “Together more than ever”

It was noted that due to the official dates of Youth Week 2021 and the April school holidays (2 -18 April) that planning for and discussion of the programme of events for the three week period would generally be referred to as ‘Youth Week’ – this may change around advertising.

In light of the comments from Youth Services regarding needing to be more realistic in regards to event management and planning time required during the event schedule period, a general discussion of potential events and scheduling of events for the Youth Week period was discussed. There was discussion about the possibility of facilitator schedules affecting preferred activities and timetabling. The destination for the April excursion was discussed – it is hoped that the Ice Skating opportunity at Bathurst would be viable for July 2021, with that in mind it was felt that travelling north for April would be preferable. As Flip-Out Dubbo has closed, and Bowling was included in the schedule for January, Youth Services suggested the Wellington Caves as a possible venue (a previous science themed excursion ‘Mudgee Observatory’ had good take up), the group agreed that this should be investigated. I Barrett expressed interest in assisting with the running of any shoe decorating sessions. S Sbisca also suggested a cupcake decorating workshop to tie into the theme of Youth Week 2021.

The majority of conversation revolved around the proposed short film competition. Some basic rules and guidelines for the entries were determined (for example there will be a strict 3 minute maximum film length), with final details regarding legalities etcetera for the Youth Services team to discuss with Council’s Economic Development team. All agreed using Mudgee Money for the prizes would be ideal, suggestions for prize amounts were also discussed. I Barrett suggested the ‘signature item/concept’ for the films be ‘book’ – after a brief discussion all agreed that this was an excellent idea. The Youth Services team will commence working on the advertising and associated required forms for the short film competition as soon as possible in order to maximise creation time for entrants.

Action point: Youth Services team to commence work on short film competition collateral as soon as possible and begin contacting and booking facilitators for Youth Week events.

6. BUSINESS ARISING

6.1. Office bearer elections – carried over until next meeting

6.2. Youth Councillor resignation

N Hayes formally resigned from Youth Council via email on 27 January 2021, due to moving away from the region for further education reasons. Youth Council thanks N Hayes for her service over the past years.

This resignation lowers the current Youth Council membership to eight young people. S Sbisa reported there may be another one or two resignations submitted in the coming weeks, but that four young people from across the region have recently requested information on how to join Youth Council. It is anticipated that some nomination forms may be received for voting on at the March 2021 meeting.

6.3. Flying minute outcome – Youth Council nomination; 14.12.2020

The flying minute regarding the Youth Council nomination received for Kirilee Besant, passed. Votes were received from I Barrett, C Boxsell, N Hayes, F Fraser, and R McPherson.

5.1.1. Autumn school holiday and Youth Week activities; evaluation

A general discussion about the activities was held. Overall, it was felt that the range of activities were well received. It was noted that feedback received suggested a longer parkour event in Mudgee may have been a better option. All agreed the excursion was worthwhile and that another visit to the Caves for a different tour might be a good future excursion. K Besant made some suggestions as to activities that may be well received in Kandos and Rylstone, including candle making – these will be investigated for future holiday periods. Participation was as follows for both the school holiday and Youth Week period:

5.1.2. Winter school holiday activities and competitions

A draft of the proposed winter school holiday activities was presented and discussed. It was decided that the theme for the online photography competition would be 'My place'. Suggestions for back up events/activities should the proposed events not be possible, were raised including indoor rock climbing. All agreed the paint your own ceramic travel mug idea should be a well-received Plastic Free July activity.

6. BUSINESS ARISING

6.1. One YA Book One Community 2021

The novel selected was *The Left-handed Booksellers of London* by Garth Nix. The Youth Services Officers had difficulty in sourcing 150 copies of the book, but managed to get them through small orders at multiple suppliers. The books were able to be ready to launch during Youth Week. Due to COVID-19 related restrictions it was once again decided that businesses would not be involved in hosting copies of the novel – it is hoped that they can be invited to be involved again next year. All four local high school libraries and the TAFE Library have agreed to host copies of the book (they are responsible for adherence to COVID-Safe practices for their copies); between them they are hosting about 50 copies. The remaining 100 copies are available from all four MWRC Library branches (some are barcoded, and some are available for non-library members. Additionally an online trivia competition relating to the theme will be run on the Youth Council socials between April and the end of June.

6.2. Mudgee Readers' Festival 2021

The Mudgee Readers' Festival [MRF] committee has contacted the Youth Services Officers on behalf of the Youth Council. MRF have asked if the Youth Council would like to sponsor up to 5 workshops by a Young Adult author to occur over the Mudgee Young Readers' Festival period (all four high schools would be asked if they would like to host a talk, with an additional one at the Mudgee Library to cater for home school or other relevant aged people who may not attend a local high school), as well as a *Body Love Project* talk and workshop for young people aged 12-25 over the MRF Festival weekend. The Youth Services Officers reminded the group that part of the NSW Government funding grant said that events like this would be sponsored/partnered on. All agreed that the proposed events would be suitable and appropriate events for the Youth Council to sponsor.

Action point: YSOs to contact MRF regarding outcome of the discussion.
