

6.4 Land for Gulgong Retirement Village

NOTICE OF MOTION LISTED BY CR PERCY THOMPSON
TO 21 JULY 2021 ORDINARY MEETING
GOV400088,

MOTION

That Council identify land around Gulgong where a retirement village could be built.

Background

I have been approached by people in Gulgong asking if there is any chance of getting a retirement village in Gulgong, so that long standing residents of Gulgong have a place to retire too.

Officer's comments

If this Notice of Motion is supported by Council, a report will be prepared by staff on the matter and then provided to a future Council meeting.
