

6.3 Gulgong Dog Exercise Park

NOTICE OF MOTION LISTED BY CR PERCY THOMPSON
TO 02 FEBRUARY 2022 ORDINARY MEETING
GOV400098, GOV400022, F0650126, A0100035,

MOTION

That Council install a second access gate for the Gulgong Dog Park.

Background

Gulgong Dog Exercise Park needs a second access gate for dog owners and dogs to be able to avoid vicious dogs. A member of the public has raised with me personally that this has happened on several occasions.

Officer's comments

A second access gate can be installed at the Gulgong Dog Park. It would be preferable for this to be an "airlock" style structure similar to the one installed at Gulgong Dog Park in recent years. Council may like to consider this as part of the budget process, perhaps providing a budget that would allow some community consultation to take place on improvements for the park in a similar approach to that undertaken for the Mudgee Dog Park and proposed works in Rylstone and Kandos.
