### Detailed report

Council, being the Roads Authority, is required to name new and unnamed streets and roads. The purpose of this report is to provide a list of names submitted by the public from which Council can choose a name for this new street.

Following the approval of a new subdivision off Toole Road in the locality of Ulan, Council wrote to the property owner and neighbours of the subdivision on 6 October 2021 requesting their naming suggestions. Public consultation was also invited in an advertisement placed in the 8 October 2021 Mudgee Guardian and on Council's website. Submissions closed on 29 October 2021 and during this period no submissions were received. In consultation with the owner/developer the history of the site was looked at and it was found to have been dedicated as a stock and camping reserve in 1895. The following names were suggested:

- Stock Road
- Camping Road

These names were evaluated via the Geographical Names Board and were found acceptable for use as a street/road name.

The recommended name of Stock Road relates to the 1895 use of the land as a Stock and Camping Reserve.

As there were no submissions in relation to the naming of this road, though there are no names specific to the area, the following names from Council's Pre-Approved Names List may also be considered:

- Corella
- Yaruna
- Yarrany

Street naming is legislated under the Roads Act, 1993. This Act empowers the authority in charge of the road with the rights to name it. The naming of this new road will allow the completion of street addressing within this new subdivision. Section 162 of the Roads Act (1993) states that “a road authority may name and number all public roads for which it is the authority. A roads authority may not alter the name of a public road unless it has given the Geographical Names Board (GNB) at least two months’ notice of the proposed name.”

In accordance with Council’s Road, Bridge and Place Naming Policy, the name that Council endorses for this road will be:

1. Advertised in the Mudgee Guardian and on Council’s website inviting submissions in writing from the public for a period of 21 days.
2. Concurrently, notice of the new name will be sent to Australia Post, the Registrar General, the Surveyor General, the NSW Ambulance Service, NSW Fire & Rescue, NSW Rural Fire Brigades, NSW Police Force, NSW State Emergency Service and NSW Volunteer Rescue Association, and, in the case of a classified road – Transport for NSW, inviting submissions in writing for a period of 14 days.

At the expiration time for lodgement of submissions, a further report will be prepared for Council addressing any submissions received and recommending the formal adoption of the proposed road name, and the Gazettal of the new road name.
