

6.2 Weed Control Surrounding Windamere Dam

NOTICE OF MOTION LISTED BY CR PERCY THOMPSON
TO 16 MARCH 2022 ORDINARY MEETING
GOV400098, A0100035

MOTION

That Council contact the NSW Minister for Lands and Water to request better weed control of noxious weeds including blackberry and serrated tussock on State Land surrounding the Windamere Dam.

Background

Receiving phone calls from concerned community members about the lack of weed control on land surrounding the Windamere Dam.

Officer's comments

Weeds staff will continue to meet with the NSW Department of Planning and Environment (DPE) and Water NSW to ensure that a weed program is being implemented.
