Detailed report

Council has resolved for a number of Advisory Committees to be established for this term of Council. Advertisements have been made for individuals to nominate to be members of these Committees. Where Committees existed in the preceding Council, those individuals have also been contact to renew their interest.

Since the Council Meeting in March we have received sufficient nominations for the Red Hill Advisory Committee to form.

When enough community members of the Committees are established, a meeting will be called where the Terms of Reference for the Committees will be discussed. Ultimately, Council will endorse the Terms of Reference for these Committees.

As noted previously, these Committees will be focused on providing community consultation on strategic issues and are generally expected to meet twice a year.
