### 6.1 Retaining Jubilee Oval

NOTICE OF MOTION LISTED BY CR PERCY THOMPSON  
TO 19 OCTOBER 2022 ORDINARY MEETING  
GOV400098, A0100035, GOV400022

#### MOTION

**That Council reconsider their intention of knocking down Jubilee Oval and the netball courts for housing, and that these sporting fields be retained.**

#### Background

We need to have other sports fields available for when Glen Willow is flooded and unable to be used. We will need more sports fields in the future and they cost millions of dollars to rebuild.

#### Officer's comments

Council has not yet made any decisions on Jubilee Oval as the planning proposal has not yet been put forward.
