Response, to Shed Size

Re: Shed DA application, 36 Banjo Paterson Ave Mudgee

My Client Mr. Kai Gray Would like to have a 10 x 14 x 3.2 Shed constructed at his property.

The reason for the proposed shed being over the allowed size to the DCP

Is to store a boat as well as vehicles, along with their personal belongings,

They would also like to incorporate a home Gym.in the shed. Allowing them enough room to store there belongs and being able to work out in there Gym.

If you require any further information, please don't hesitate to contact me.
