Dear Sir / Madam:

We wish to make the following changes in respect to DA0099-2018, please see as follows:

- 1: We wish to reduce the number of greenhouses from nine (9) to two (2). With each of the greenhouses being a size of 96m (L) x 20m (W) x 5.5m (H). Initially, we plan to use the greenhouses as a nursery for plants including Olive Tree's, Tomato's, etc. There is a possibility in the future we will once again attempt to use the greenhouses for growing Cannabis, however, this would be subject to the authority from the Office of Drug Control.
- 2: We wish to add a separate building which will simply be a storage shed of 32m (L) x 16m (W) which will be used to store any plant nutrients, tools etc. It will also contain a kitchenette and toilets.
- 3: We do not require any changes to the current conditions.

Should you require any further information, please do not hesitate to contact myself.

Kind regards,

Susan Zaiter
