Statement of Environmental Effects

Pro-forma for minor development

ABOUT THIS FORM This statement must be completed by the applicant and/or their representative to comply with the requirement of Section 4.15 of the *Environmental Planning and Assessment Act, 1979*. The completed statement must accompany the Development Application and accompanying plans.

Each of the following categories must be completed for all forms of development, building works or activity requiring development consent. The level of detail required will depend upon the nature and scale of the proposed development. Should you be uncertain of any aspect, you should contact Council's Planning and Development Group for advice.

| 1. PROPERTY DETAILS | | | | |
|--|--------------------------------------|----------------------------|-------------------|-----------|
| Lot Number | Section no. | | DP / SP | |
| 2 | | 6 | 318062 | |
| Unit / Street number | Street name | | | |

| 3. DESCRIPTION OF THE SITE |
|--|
| What is the area of the site? |
| 422.14m2 |
| Describe the site (elaborate on the information provided on the site analysis plan. Include information such as the physical features of the site, for example slope and vegetation, existing services). |
| Vacant site with minimal slop, with septic system, water supply from rainwater tank and power |
| available. |
| |
| |
| |
| |
| |
| |
| |
| |
| |
| |
| Describe the use of lands adjoining the site. Will the proposal impact on adjoining property? (Consider issues such as noise, privacy, overland flow of stormwater and other amenity impacts). |
| All residential land. |
| |
| |
| |
| |
| |
| |
| |
| |
| 4. PRESENT AND PREVIOUS USES |
| What is the present use of the site and when did this use commence? Did this use receive development consent? |
| Present use of the land is residential and it has received a development consent. |
| |
| |
| |
| |
| |
| List the previous uses of the site. |
| Residential land. |
| rtesidential land. |
