To whom it may concern

This letter outlines the description of our Derby Day function that will be held at Gooree Park Stud on the first Saturday of November on an annual basis.

Derby Day at Gooree Park Stud is held on the grounds of Gooree Park 1544 Castlereagh Highway, Galambine. The event caters for a maximum attendance of 180 people. The event runs from 12pm till 5pm at which time guests will leave the property via their own transport or by coaches provided by Gooree Park. During the event a three course sit down meal will be provided for all guests. Alcohol is also provided in accordance with NSW RSA regulations. These events are over 18 only and no minors are present at the event. There will be a large TV for Derby Day race highlights and a musician will be providing entertainment for the duration of the event. The marquee for the event is 24m long by 10m wide. The musician and TV are situated within the marquee. There will be lounges/chairs and wine barrels with stools situated outside of the marquee for guests to use during the event. There are approximately 40 car park spaces available within 150m of the marquee and we also have 50 seat buses running between the Lawson Park Hotel and the event for pick up prior and drop off at the completion of the day. There is no tree removal necessary for the event.

Please contact me should you require any further information

Yours Sincerely

Brendon Cocks

Wines & Event Manager

Gooree Park
